Marriage Buster

by John E. Perez

Marriage is a two way street; but too many men have made it ONE WAY! We need to change this way of thinking to GOD's way. Do you and your wife have spiritual intimacy! Are you connected spiritually. There are a few things I want to remind the male population. *Don't worry my next post will talk to the women.* Ask yourself these questions:

- Do you and your wife have a prayer life — apart and together?
- Do you talk to one another; I mean talk about all the things that keep you up at night? God gave you a HELP MATE!

- Did you take out the trash (junk in your trunk) before you got married? If not, it's time. Deal with your failures and hurts. It's not too late... Break the cycle of pain!
- Did you drain the swamp? Take all of those hurts and begin the healing process of your life and your marriage.

As you wrestle with the above questions, remember there are three words you need to know and understand:

1. Vow
2. Submit
3. Balance

If you can't speak on these things, then please stay tuned when we talk about the words: vow, submit, and balance in future articles.

You are Exactly Where I Want You

by John E. Perez

As I write this, God simply is telling me he has me where he wants me. You might ask where that is. I am totally reliant upon him. You see, back on July 5th of this year, I decided to retire from my secular job to be the full-time Pastor at Faith Temple.

I left behind a job that paid me very well, to a position that only God can sustain me in. This has been a learning curve for me. For 36 years, I relied on my God given talent in sales to put food on our table and clothes on our back. I was very successful in the field for many years.

Now I am where God wants me, in the best selling position I ever had. I get to share the story of salvation and redemption with any one that will listen. Now my success can be measured on how many new souls come to know Christ.

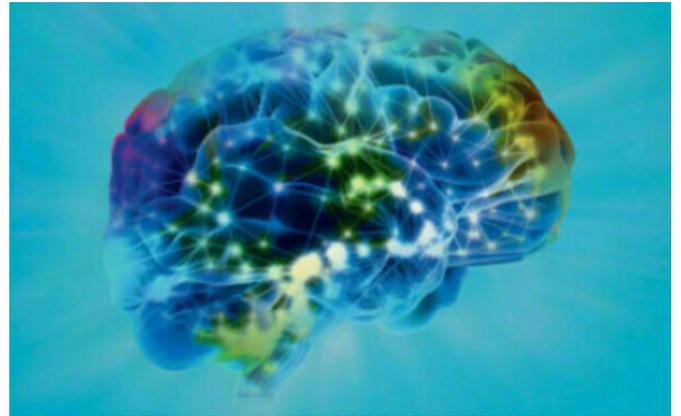

I waited over 25-years to finally get to a position where God can use me in full time ministry. Does God have you where he wants you? If not please pray with me today.

"God, I look to you this day, to put me exactly where YOU want me in ministry. Lord let it be YOUR will, not my will. I want to serve you with my whole heart, mind and soul. I want to be lead by you and through you. In Jesus' name, Amen!"

Jeremiah 29:11 - "For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future."

Rewiring

by John E. Perez

"Switch your Brain", written by Dr. Caroline Leaf, teaches that you can, with God's Word, correct your thinking patterns. She talks about the science behind meditating according to Philippians 4:8: on whatever is true, lovely, righteous, and so on. Dr. Leaf reminds us that our past doesn't define our future. If we dwell on God's Word we will find the relief that we seek.

Having survived many childhood traumas, my mind was marred with the scars of my youth. It was a relief to hear that I can rewire the toxic things that are stirring in the vat of hurt and fears. I CAN do my own brain surgery and rewire my thinking. I have the ability to renew my mind by cutting the wires that are plugged into damaging signals for my mind, body and soul.

You too can be freed. First, identify those wires that you need to cut. Ask Jesus to help you find that "Blue" or "Green" wire to deactivate the explosive bomb residing between your ears— your mind. God will know exactly what wire to cut. Allow him to help you rewire your mind!
